

Approx. 2½ miles

For further information and other walks, please visit the Parish Council website: -

<https://binstedparishcouncil.org.uk/>

Directions (can also be walked in reverse)

About 2½ miles

Binsted and Wheatley

- Start at The Binsted Inn pub, turn right
- Follow pavement on south side of road, walking east for about half a mile in the direction of Blacknest
- Turn right at the second lane (Wheatley Lane)
- Walk down lane past Forge Farm and turn right onto a wide track at the crossroads of lane and tracks at Wheatley
- Follow farm track past buildings and across fields. This continues to a barn (Pipland on map opposite), veers right and then left and joins a metalled lane near Hay Place [1]
- Turn right up lane and left onto road in Binsted village. Follow

the pavement along the south side of the road

- Arrive at pub

This walk would be fine in wet conditions. Although there is a half a mile of pavement walking along the Binsted road, the route passes some interesting buildings. Some nice views east from the first part of Wheatley Lane and also from the first part of the farm track (east and west).

There are no stiles or gates. [1] The farm track is firm and provides a good surface, with only occasional muddy patches: easily avoided

Walk 2 Binsted

~2½
miles

Start/finish at The Binsted Inn
